- The Vietnam stand is left of the fountain and located in front of Berserker
- The Italy stand is further down the left side of International Street.

Tips for Spring Bloom

Thanks to Executive Chef Paul Maloney, he is changing the way we all think about amusement park food. His long resume of food accomplishments is on display during Kings Dominion's Spring Bloom Festival for the world to try.

- 1) All of the Spring Bloom food stands are **cash only**. Be prepared ahead of time, or get money out at the various ATMs throughout the park.
- 2) Consider spacing out your tastings throughout the day. The food is a "tasting" portion, but eating all of them at once gets filling very fast.
- 3) If drinking the beer and/or wine from the various countries, drink responsibly, and again consider spacing them out.
- 4) On select days throughout Spring Bloom, live entertainment performs on stages surrounding International Street.
