

Kings Island®

Diamondback stands 230 feet at its highest point with a first drop of 215 feet at a 74-degree angle. The ride features 10 vertical drops overall including drops of 193, 131, 129, 110 and 106 feet, two spectacular helixes and a splashdown ending.

DIAMONDBACK LINE TIP: The wait for Diamondback is usually longer in the morning than during the afternoon and early evening hours. We recommend that you take advantage of the shorter lines on the Park's other world-class rides and attractions during the AM hours.
