Ride Safety Requirements

Many rides at Kings Island are dynamic and thrilling. There are inherent risks in riding an amusement ride. For your protection, each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of those risks. Restrictions for guests of extreme size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical conditions and limitations. Kings Island does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!

Guests with a history of recent surgery, heart trouble/high blood pressure, neck trouble, back trouble, or any other condition which may be aggravated by riding or who are pregnant, should carefully heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more rider information, please request our Rider Safety Guide at Guest Services. We'll be happy to brief you on our Ride Admission Policy and explain how it applies to your specific situation. We hope we can help you enjoy your day more fully.

All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned and fastened properly, and tightened securely, to allow our guests to ride. Please try our test seats at the ride entrances of Diamondback, Crypt and Delirium prior to waiting in line.

Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, a waist pack, left in a locker or storage bin, or left with a non-rider. **RIDE OPERATORS CANNOT BE RESPONSIBLE FOR THESE ITEMS.** Glasses must be secured on all rides. For safety reasons, taking pictures, videotaping and filming on rides are strictly prohibited.

Supervise children at all times. Children may be "officially" measured (and receive a wristband if qualified) at our three Height Measurement Stations located at Guest Services, just inside the Front Gate and at the entrance of Planet Snoopy. For the safety of your child, a standard play shoe that does not contribute excessively to the child's height is required. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Kings Island reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.

Height, weight and age requirements are subject to change. Please refer to the signage at each entrance for current requirements.

Guest Information & Park Policies

Alcoholic Beverage Policy – Guests must be at least 21 years of age to purchase, possess or consume alcoholic beverages at Kings Island. Valid State issued identification or valid driver's license is required upon each person purchasing, possessing or consuming alcoholic beverages. Alcoholic beverages are not permitted while in line for any ride.

Attire & Behavior – Shirts, shorts/pants and shoes must be worn at all times while at Kings Island. Proper swimming attire for Boomerang Bay is defined as one-or-two piece swim suits without abrasive buttons, rivets, zippers or snaps. Unruly behavior, profanity, obscene gestures, obscene statements, illegal substances and suggestive/offensive clothing or material is prohibited. Park management reserves the right to refuse admission or remove from the park without refund any person(s) who do not comply with park rules & regulations.

First Aid – Available on International Street across from the exit of the Boo Blasters on Boo Hill ride and in Boomerang Bay. First Aid is staffed by certified Emergency Medical Technicians at all times. Medication cannot be dispensed to minors without parental consent. If you need medical assistance, tell any park associate and he/she will call First Aid and they will come to your location.

Guest with Disabilities – Guests with disabilities should stop by Guest Services located at the Front Gate for information regarding park and ride accessibility. A limited number of wheelchairs are available for rental on a first come, first serve basis at the Front Gate.

Height Measurement Stations – A guest's height is an important safety factor on many rides & attractions. Please visit one of our height stations located just inside the Front Gate, the entrance to Planet Snoopy, or at Guest Services to determine your height. Once the measurement has been taken, the guest will be given a corresponding color-coded wristband to eliminate additional height measuring throughout the day.

Inclement Weather – Some attractions may close in bad weather until conditions permit safe operation. Please enjoy a show, meal or shopping until such weather passes. Kings Island cannot issue rain checks or refunds for inclement weather. In case of severe weather, area emergency warning system sirens will sound and further instructions will be given over the public address system.

Kid Track – Kings Island offers a service to quickly reunite separated children and parents with cell phones. Please sign up for this service at Guest Services, Baby Care or Boomerang Bay Guest Services.

Life Vests – Lifejackets are provided free of charge. Only coast guard approved lifejackets are allowed. For Great Barrier Reef and Crocodile Run, a lifejacket is required for anyone who is less than 48" tall in bare feet or is an inexperienced or non swimmer. Guests less than 42" tall must wear a lifejacket and be accompanied by a responsible person.

Line Jumping – To ensure all guests have a fair opportunity to enjoy a ride or show, line jumping is not permitted at Kings Island. Line jumping is defined as cutting in front of other guests who are already in line, saving a place in line for someone, or leaving a line and attempting to re-enter at the same point. This includes reasons such as using the restroom or purchasing food or drink. We suggest you make all stops before you enter the line. Any guest who line jumps – regardless of the reason – may be asked to: Go to the end of the line; leave the ride entirely; or leave the park with no refund given.

Lockers – Lockers are available for rent and located at the Front Gate, near the entrance to the Viking Fury, near White Water Canyon and Firehawk, and in Boomerang Bay.

Lost & Found / Claimed Items Held at the Park Entrance – All lost & found articles as well as those held by Security inside the park entrance should be claimed at the Security Booth outside the Front Gate. Unclaimed articles are donated to charity or destroyed after 14 days. Should you lose an article on a ride, please see a ride attendant for assistance or call (513) 754-5805.

Parent Swap – One parent of a small child waits in line, both ride! For more information or to obtain a Parent Swap Pass, please visit Guest Services located at the Front Gate.

Pets – Only guide dogs/service animals are permitted in the park. Your pet may be left at the Kings Island Pet Care Center located outside the Front Gate during park operating hours – \$20 fee is required.

Readmittance – If you wish to leave the park and return on the same day, please have your hand stamped at the Front Gate. If you wish to leave the parking lot and re-enter, present your parking receipt to the attendant when you return.

Ride Rating System – Some rides are restricted to guest participation by guest height, age, size and physical condition. All Kings Island rides are rated according to the various ride experiences. The ratings are posted at the ride entrances. Use these ratings to determine which rides will be appropriate for you. 1 is for mild rides, 5 for the most aggressive thrill rides.

Smoking – As we strive to accommodate all of our guests, designated smoking areas have been established throughout Kings Island. Please refer to our map on the reverse side for specific locations. Smoking is not permitted in any theater, ride or waiting area, and any in-door or out-door restaurant. Thank you for your cooperation.

Weapons – Weapons and firearms of any kind are not permitted on the park premises.
