Attraction Rating System

To better assist you in choosing attractions you may wish to experience, each of our rides has been rated according to the following system. Ratings are based on the intensity, speed, and directional changes of each individual ride. The Attraction's rating can be found on the Fun & Safety sign at the entrance of each ride.

- 1 Mild Ride**
This is a low speed, gentle ride intended for young children and may accommodate chaperones where permitted. Please be aware of the recommendations and requirements for this ride.
- 2 Mild Thrill Ride**
This is a low to medium speed ride. It has smooth transitions with some changes in elevation and speed. This ride may require some rider body control and is not intended for unaccompanied toddlers or very young children. Please be aware of the recommendations and requirements for this ride.
- 3 Intermediate Thrill Ride**
This is a medium speed ride where riders may encounter unexpected changes in direction and / or speed during portions of the ride. This ride requires rider body control. Please be aware of the recommendations and requirements for this ride.
- 4 High Thrill Ride**
This is a fast paced ride experience. Riders will encounter changes in speed, direction and / or elevation, some of which may be unexpected. This ride requires upper or full body control. This ride is not recommended for guests with physical, mental and / or medical limitations. Please be aware of the recommendations and requirements for this ride.

WaterWorks Rating System

To better assist you in choosing WaterWorks attractions you may wish to experience, each of them has been rated according to the following system. Ratings are based on the intensity, speed, water depth and swimming skills required. The Attraction's rating can be found on the Fun & Safety sign at the entrance of each ride.

- 1 Low Speed / Shallow Water Attraction**
Low speed and / or shallow water attraction. Passive water fun for those who just want to get wet and relax. For supervised toddlers and youngsters, seniors, handicapped or partially health limited guests.
- 2 Moderate Thrill Attraction**
Moderate thrill rides and / or water depth to 48". For inexperienced riders, beginner swimmers, supervised partially handicapped and supervised children. Some rider control and maneuvering required. Not recommended for toddlers.
- 3 Deep Water / Strong Swimming Skills**
Aggressive ride action requiring rider control and / or strong swimming skills. For guests having no medical restrictions. Deep water may be encountered. Physical activity may be strenuous.
- 4 High Thrill Attraction**
High thrill or deep water attraction. Can be stressful to those who fear heights, high speed or enclosed places. Not recommended for anyone with any kind of health or medical limitation.
