Riders may encounter smooth transitions with some changes in elevation and speed. This attraction is not intended for unsupervised toddlers or very young children.
- INTERMEDIATE THRILL RIDE** – This is a medium-speed attraction and/or water depth greater than 48 inches. This attraction requires rider control and/or strong swimming skill. Physical activity may be strenuous. Riders may encounter unexpected changes in direction and/or speed during portions of the ride.
- HIGH THRILL RIDE** – This is a fast-paced ride experience and/or deep water attraction. This attraction requires upper or full body control and/or strong swimming skills. Riders will encounter changes in speed, direction, elevation, and/or deep water, some of which may be unexpected. ### Ride Chaperones
