Haunted Mazes & Attractions

There are rumors that the swamps once ran red with blood, it's time to find out if the rumors are true. The locals refuse to speak about the horrors that once filled the bayou, whispers of curses and an unnamed voodoo priestess. However, refusing to talk about something does not make it go away. The evil that lies in wait hungers for new visitors. The priestess dreams of times gone by, times when the blood of the innocent once flowed through the bayou. **Located by Snoopy's Space Buggies.**

It's always Halloween on Hemlock Lane. Our story picks up where the Fairy Tales ended, our clan of distraught witches were given a new start in this very special halfway house for wayward souls. Throughout the years the residents have worked to make their new home a welcoming place for their next victims. It's time to find out if a treat is in your future or if it's all just an evil trick. **Located to the right of Drop Tower.**

The guest rooms have been prepared and the staff is eagerly awaiting your arrival. Welcome to the Inn at Darkside Manor! Enjoy the best of yesteryear and take a break from the hectic pace of today. It's true what they say, high school never ends! **Located behind WindSeeker.**

Take a drive on the beautiful Blue Ridge Parkway and experience the sights and sounds of the mountains after dark. A warning to any outsiders: According to local legend creatures lurk in the woods at night, rumored to prey on drivers who take a wrong turn. Sit back, relax and ignore the screams of other visitors as you take a ride on the Tollway Terror. **Located at Blue Ridge Tollway.**

The harvest has begun and you are the new crop. Weave through the rows of decaying corn and hope that you can find your way out. The people and creatures that live here are determined to rid their fields of anything they see as a threat and you just made the list. **Located on International Street.**

What you can't see might hurt you... and in this case it will! **Located by WindSeeker.**

More than half a century ago an infamous riot claimed the lives of dozens of men at Doswell State Penitentiary. Following the massacre, the prison was abandoned and left to crumble. Today the prison is finally being reopened and you're the first to get inside. All visitors are encouraged to stay on the marked paths, or you may find yourself the next victim of this never-ending Lockdown. **Located at Flight of Fear.**
