Kings Island WINTERFEST

Guest Information & Park Policies

Alcoholic Beverage Policy – Guests must be at least 21 years of age to purchase, possess or consume alcoholic beverages at Kings Island. **Valid State issued identification or valid driver's license is required upon each person purchasing, possessing or consuming alcoholic beverages.** Alcoholic beverages are not permitted while in line for any ride.

Attire & Behavior – Shirt, shorts/pants and shoes must be worn at all times while at Kings Island. Unruly behavior, profanity, obscene gestures, obscene statements, illegal substances and suggestive/offensive clothing or material is prohibited.

Family Care Center by Fischer Homes – Families are welcome to take advantage of various complimentary services such as diaper changing stations, bottle warming, Kid-Track registration as well as other amenities.

First Aid – Available on International Street across from the exit of the Boo Blasters on Boo Hill ride. First Aid is staffed by certified Emergency Medical Technicians at all times. Medication cannot be dispensed to minors without parental consent. If you need medical assistance, tell any park associate and he/she will call First Aid and they will come to your location.

Guests with Disabilities – Guests with disabilities should stop by Guest Services located at the Front Gate for information regarding park and ride accessibility. A limited number of wheelchairs are available for rental on a first-come, first-served basis at the Front Gate. Accessible restrooms are available and located throughout the park.

Height Measurement Stations – A guest's height is an important safety factor on many rides & attractions. Please visit one of our height stations located just inside the Front Gate or the entrance to Charlie Brown's Christmas Town to determine your height. Once the measurement has been taken, the guest will be given a corresponding color coded wristband to eliminate additional height measuring throughout the day.

Inclement Weather – Ride operations are subject to change due to weather conditions. Operation will resume as soon as it is safe to do so. Please enjoy a show, meal or shopping until such weather passes. Kings Island cannot issue rain checks or refunds for inclement weather. In case of severe weather, area emergency warning system sirens will sound and further instructions will be given over the public address system.

Kid Track – Kings Island offers a service to quickly reunite separated children and parents with cell phones. Please sign up for this service at Guest Services or the Family Care Center by Fischer Homes.

Line Jumping – Cutting in front of other guests who are already in line, saving a place for someone, or leaving a line and attempting to re-enter at the same point is defined as line jumping and is not permitted at Kings Island for any reason. Any guest who line jumps – regardless of the reason – may be asked to go to the end of the line, leave the ride entirely or leave the park with no refund given.

Lockers – Lockers are available for rent and located at the Front Gate and in Rivertown Wonderland near the entrance to Mystic Timbers.

Loose Articles – Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, in a bin on the ride platform if available, left in a locker or with a non-rider. Loose articles are not able to be stored on the Mystic Timbers ride platform.

Lost & Found / Claimed Items Held at the Park Entrance If you lose an item on a ride, we will search for the article as soon as possible. In order to keep the ride in operation an immediate search is not possible. Please visit the Lost & Found Booth located outside the Front Gate or Guest Services to complete paperwork to ensure the item is returned to you if it's found. **FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS FOR ANY REASON.** You may be seriously injured if you enter an unauthorized area. If your item has not been found by the time you leave the park, please go to visitkingsisland.com/lostandfound, and you will be guided through our automated lost and found system.

Outside Food & Beverages – No outside food, beverages or coolers are permitted to be brought into Kings Island. Guests with special dietary needs should stop at Guest Services located at the Front Gate upon arrival at the park.

Photos & Videos – The taking of pictures and video while riding any of the attractions except for K.I. & Miami Valley Railroad is strictly prohibited at Kings Island. Guests taking pictures or video while riding may be asked to leave the park with no refund and given a misdemeanor under O.R.C. 1711.551.

Parent Swap – To make it easy for parents with young children to enjoy the rides too, we offer the Parent Swap Program. Here's how it works: one parent waits in line to ride a thrill ride or other height-restricted attraction. After riding, they give their Parent Swap pass to the ride operator and the other parent/guardian, who has been taking care of the little ones, can walk up the exit or alternate access lane to get right on the ride. To participate in Parent Swap, parents need to obtain a slip to authorize them for the program at Guest Services located at the Front Gate.

Service Animals – Service animals are welcome at Kings Island. Service animals must be physically controlled on a leash or harness at all times. The service animal relief station is located by the restroom on Winterfest Way. Guest may visit Guest Services located at the Front Gate for additional information. Pets of any kind are not permitted.

Readmittance – If you wish to leave the park and return on the same day, please have your hand stamped at the Front Gate. If you wish to leave the parking lot and re-enter, present your parking receipt to the attendant when you return. Passholders can re-enter by using their season pass card.

Ride Rating System – Some rides are restricted to guest participation by guest height, size and physical condition. All Kings Island rides are rated according to the various ride experiences. The ratings are posted at the ride entrances. Use these ratings to determine which rides will be appropriate for you. 1 is for mild rides, 5 for the most aggressive thrill rides.

Smoking – For the convenience of all our guests, smoking of any kind, including vapor and e-cigarettes, is allowed only in designated smoking areas. Please refer to our map on the reverse side for specific locations. Smoking is not permitted in any theater, ride or waiting area, and any indoor or outdoor restaurant.

Weapons – Unauthorized weapons and firearms of any kind are not permitted on the park premises.

Ride Rating System

- 1 Low Thrill Ride
- 2 Mild Thrill Ride
- 3 Moderate Thrill Ride
- 4 High Thrill Ride
- 5 Aggressive Thrill Ride

Ride Safety Requirements

Many rides at Kings Island are dynamic and thrilling. There are inherent risks in riding an amusement ride. For your protection, each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of those risks. Restrictions for guests of extreme size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical conditions and limitations. Kings Island does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!

Guests with a history of recent surgery, heart trouble/high blood pressure, neck trouble, back trouble, or any other condition which may be aggravated by riding or who are pregnant, should carefully heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more rider information, please request our Guest Assistance Guide at Guest Services. We'll be happy to brief you on our Ride Admission Policy and explain how it applies to your specific situation. We hope we can help you enjoy your day more fully.

Restraints

All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned and fastened properly, and tightened securely to allow our guests to ride.

Loose Articles

Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, left in a locker or storage bin or left with a non-rider. **RIDE OPERATORS CANNOT BE RESPONSIBLE FOR THESE ITEMS.** Glasses must be secured on all rides. For safety reasons, taking pictures, videotaping and filming on rides is strictly prohibited.

Height Information

Supervise children at all times. Children may be "officially" measured (and receive a wristband if qualified) at our Height Measurement Stations located just inside the Front Gate and at the entrance of Charlie Brown's Christmas Town. For the safety of your child, a standard play shoe that does not contribute excessively to the child's height is required. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Kings Island reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated. Height, weight and age requirements are subject to change. Please refer to the signage at each entrance for current requirements.
