Alcohol sales will end one hour prior to scheduled park closing time, or at park management discretion. Guests must present valid I.D. at all times. Guests will only be served one alcoholic beverage per transaction, per ID.

Behavior At any time, if you refuse to follow park rules, or act inappropriately for a family amusement park, you will be required to leave the park. No refunds will be issued.

Dress Shirt, shorts/pants, and shoes must be worn at all times. Profanity, obscene gestures and statements, pictures of illegal substances, insignia of paramilitary groups, all gang-related items on clothing, costumes or disguises that conceal identity are prohibited and admission to the park may be refused.

First Aid/Security Located near the Flying Cobras. First Aid is staffed by certified Emergency Medical Technicians at all times. Security officers are available throughout the park for your assistance.

Food & Drink No outside food or drinks are permitted in the park.

Guest with Disabilities Information for guests with disabilities is available at Guest Services or First Aid.

Inclement Weather Policy Carowinds will remain open in most weather situations however; the weather affects each ride differently. Rides will close if there is a threat of lightning, high winds or heavy rain. Sorry, no rain checks or refunds.

Line Breaking Line jumping, cutting in front of others, saving a place in line or leaving a line and trying to re-enter may lead to ejection from the park.

Lost & Found Located outside the front gate. If you lose an article on a ride, please see the ride attendant. Do not enter unauthorized areas. Carowinds is not responsible for lost or stolen items. You may be seriously injured if you enter an unauthorized area.

Rentals Locker, strollers, wheelchairs, & ECVs are available for rent at Rental Centers. Rental equipment is limited and available on a first come, first serve basis.

Same Day Re-entry To re-enter the parking lot, please present your parking receipt to the parking associate.

Operating schedules for rides, shows and attractions are subject to change or cancellation without notice. The use of camera phone, video recording devices or still photography cameras are prohibited in any restrooms, theaters, and on all rides. Some attractions and shows use strobe lighting, theatrical smoke, and dark environments.

Rider Safety Requirements

Many rides at Carowinds are dynamic and thrilling. There are inherent risks in riding any amusement ride. For your protection each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of these risks. Restrictions for guests of larger size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy available at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical limitations, Carowinds does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!

Guests with a history of recent surgery, heart-trouble, high blood pressure, neck trouble, back trouble or any other condition that may be aggravated by riding, or who are pregnant should heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more information, please request our Guest Assistance Guide at Guest Services.

While riding, riders must remain seated, facing forward, in an upright position with their back and shoulders against the seat back and holding on until the ride comes to a complete stop. All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened properly and tightened securely to allow guests to ride. Test seats are available at the ride entrance of Plants vs. Zombies Garden Warfare 3Z, Nighthawk, Intimidator, & Fury 325°.

Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, a waist pack, left in a locker, placed in an article bin at the ride location or left with a non-rider. Ride operators are not responsible for these items. Loose articles of any kind are not permitted in the line or on the ride platform at Fury 325°. Glasses must be secured on all rides. For safety reasons, taking pictures, videotaping and filming on rides are prohibited.

Supervise children at all times. A guest's height is an important safety factor on many rides and attractions. Children may be measured and receive a wristband, if qualified, at the Height Measuring Stations. Children may be "officially" measured at the Height Check station at Guest Services near the North Gate entrance. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Carowinds reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.

Hand held infants are not permitted on most rides.

North Carolina and South Carolina state law requires riders to obey all warnings and directions and behave in a manner that will not cause or contribute to injuring themselves or others. Riders shall report all injuries before leaving.

Rider Height Requirements

For the safety of all park guests, all rides have rider height requirements based on the manufacturers' recommendations. Other appropriate safety requirements may also apply. The rider height requirements are listed above and are posted at the ride entrance.

Accompanied By

Whenever a guest is required to be accompanied by a Supervising Companion, the accompanying person must meet the ride requirements, be able to safely ride the ride as well as assist the guest. This includes helping the guest when boarding and exiting the ride, assisting the guest to maintain postural control while riding, and assisting the guest down stairs, catwalks or ladders in case a ride evacuation is necessary.

Supervising Companion

Accompanying a child is one who meets all the requirements to ride the ride, is 14 years of age or older and demonstrates appropriate observed behavior.

Ride Safely

Section 41-18-350: State law requires riders obey all posted signs, warnings and instructions and to behave in a manner that will not cause or contribute to injuring themselves or others. Riders must report all injuries before leaving.
