

# Carowinds

## 2018 FRIGHT GUIDE

### Welcome to the Carolinas' Premiere Halloween Event

If last year gave you nightmares, wait till you see the evil mess we have in store for you this year. To make the most of your visit, check out the enclosed map for all of our spine-tingling attractions. Please note this event is rated PG-13 and may be too intense for young children. Once in the park, no re-entry is allowed.

### RIDER SAFETY REQUIREMENTS

- Many rides at Carowinds are dynamic and thrilling. There are inherent risks in riding any amusement ride. For your protection each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of these risks. Restrictions for guests of larger size (height or weight) are posted at certain rides. Guests with disabilities should refer to our Ride Admission Policy available at Guest Services. Participate responsibly. You should be in good health to ride safely. You know your physical limitations, Carowinds does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!
- Guests with a history of recent surgery, heart-trouble, high blood pressure, neck trouble, back trouble or any other condition that may be aggravated by riding, or who are pregnant should heed all warning signs at each ride entrance. If you are in doubt about your ability to safely experience a ride or would like more information, please request our Guest Assistance Guide at Guest Services.
- While riding, riders must remain seated, facing forward, in an upright position with their back and shoulders against the seat back and holding on until the ride comes to a complete stop. All passenger restraint systems, including lap bars, shoulder harnesses and seatbelts, must be positioned, fastened properly and tightened securely to allow guests to ride. Test seats are available at the ride entrance of Plants vs. Zombies Garden Warfare 3Z, Nighthawk, Intimidator, & Fury 325®.
- Most rides cannot accommodate loose articles including cell phones, pagers, hats, cameras, stuffed animals, purses, backpacks, umbrellas, beverage containers, personal entertainment devices, etc. Items must be safely secured in cargo pockets, a waist pack, left in a locker, placed in an article bin at the ride location or left with a non-rider. Ride operators are not responsible for these items. Loose articles of any kind are not permitted in the line or on the ride platform at Fury 325®. Glasses must be secured on all rides. For safety reasons, taking pictures, videotaping and filming on rides are prohibited.
- Supervise children at all times. A guest's height is an important safety factor on many rides and attractions. Children may be measured and receive a wristband, if qualified, at the Height Measuring Stations. Children may be "officially" measured at the Height Check station at Guest Services near the North Gate entrance. For example, a child is not permitted to wear platform shoes to help meet a height requirement. Carowinds reserves the right to ask that shoes be removed to ensure that a child's height is not being artificially enhanced or manipulated.
- Hand held infants are not permitted on most rides.
- North Carolina and South Carolina state law requires riders to obey all warnings and directions and behave in a manner that will not cause or contribute to injuring themselves or others. Riders shall report all injuries before leaving.
