### HAUNT ATTRACTIONS

As darkness falls, bear witness to the Overlord's Awakening as he calls his army to rise and wreak havoc on the park.

As you roam the halls filled with hexes and voodoo, torment you'll find yourself possessed and drawn into the darkness where nightmares live and the dead walk.

**NEW** Join the wrecking crew salvaging the remains of the ghastly oddities and macabre surprises found in the fire-ravaged, terror-filled walls of Chamber of Horrors: Condemned

Class is in session and the swarming flesh eating students and staff of Zombie High are running rampant and ready to administer a test for your life.

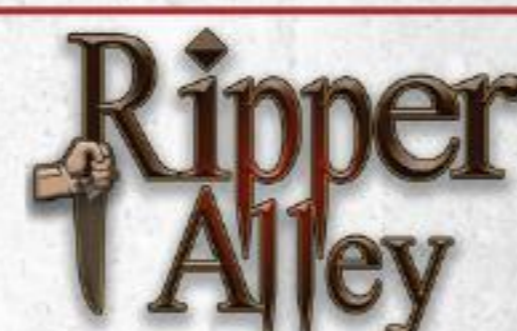

**NEW** Khaos Unleashed is like no other experience, testing the limits of all your senses, sending you into states of confusion, disorientation, and overall madness.

A century's worth of blood starved vampires lurk as they wait for the curtain of darkness to shadow their search for the liquid of the living.

The MacDonald Family invites you to their meat packing, body hacking fear factory. With business booming, the family is offering fresh samples for all its tasty visitors.

Big Ben's peal warns of the dread looming over the city so choose your path wisely as you navigate the treacherous underbelly of Victorian era London.

As you wander the dusty streets of this parched land you'll find trigger happy gunslingers, undead cowboys, and a west that's wilder than ever.

Out of the abyss of corn come those who stalk the living each night. The reaping has officially begun and you'll find you are the chosen crop.

The grotesque and bizarre are on full display during this show of the terribly troubled. These clowns and freaks taunt any who dare to trespass their territory.

As darkness falls, fear rises. Murderous and maniacal monsters roam the bleak and fog filled pathways of this dark and demonic stain on the landscape.
