### Ride Safety Requirements

- The safety of our Guests and employees is our number one priority at Worlds of Fun. Safety is a shared partnership between the Park and our Guests. Guests are asked to follow all posted and verbal instructions and carefully consider the ride requirements using good judgment. For your protection, each ride is rated for its special features, such as high speed, steep drops, sharp turns or other dynamic forces. If you choose to ride, you accept all of those risks.
- Guests with heart, back or neck problems; who have had recent surgery; who are pregnant; who may be sensitive to physical stress; or who lack certain abilities may be restricted from some rides and attractions. You should be in good health to ride safely. You know your physical conditions and limitations, Worlds of Fun does not. If you suspect your health could be at risk for any reason, or you could aggravate a pre-existing condition of any kind, DO NOT RIDE!
- All seatbelts, lapbars and harnesses on our rides and attractions must be positioned, fastened properly, and tightened securely to allow guests to ride. Certain individual body types, shapes and sizes may not be accommodated by these devices which will not allow the guest to participate on these rides and attractions.
- Keep your hands, arms, legs and feet inside the designated vehicles at all times.
- Supervise children at all times.
- Lost People & Lost Articles** It is important to arrange a meeting place should your party get separated. The park does not offer personalized public paging. If someone in your party becomes separated from your group, we suggest you contact a member of our security staff or go to Guest Services for assistance.
- FOR YOUR SAFETY, DO NOT ENTER UNAUTHORIZED AREAS TO RETRIEVE LOST ARTICLES.** You may be seriously injured if you enter an unauthorized area. Please report lost articles to a ride associate or at Guest Services.
- Rider Responsibility Law** Missouri Statute RSMO 316.230 requires that riders obey all warnings and directions regarding all rides and behave in a manner that will not cause injury to themselves or contribute to the injury of others. Failure to comply may lead to ejection from the park and is a state misdemeanor.
