

SURVIVAL TIPS

The rules and regulations established by Canada's Wonderland are in place to ensure that every guest has a safe visit. Behaviour that disrupts another guest's enjoyment or breaks any Federal, Provincial or City of Vaughan law will result in immediate ejection from Park property without refund, and may lead to prosecution. HAUNTED ATTRACTIONS

CODE RED

Experiments don't always go according to plan. Enter the twisting and terrifying corridors of this abandoned laboratory where the test creations have escaped.

Blood Shed

Fifty years ago, Beamer's Meats was a successful business thanks to their 'creative' sources of meat. Now someone's returned to what's left of the abandoned plant to restart production.

SCI-FI HOUSE!!

Caught in a dark and twisted dimension, Sci-Fi House oozes with deranged aliens and venomous creatures who are ready to inflict bloody torture on their houseguests.

NEW THE CRYPT

Amongst a catacomb of human remains, the shadows are moving in, the dead are rising and The Crypt welcomes no one.

SPIRIT MANOR

The manor on the hill has been empty for decades. Local kids say it's haunted, but it's so much worse than that. This crumbling manor is infested with ghastly demons and phantoms hunting for new residents.

CORNSTALKERS

Old man Howell always had the best corn mazes, but warned everyone to be out by sunset. After some teens snuck in one night they found out why.

THE RUINS

Follow the path of the ancient ruins through dark and deadly tombs. Once rumoured to be full of treasure, now all that's left are bloody bones and evil curses.

BLACKOUT

Can you survive total darkness? We dare you to try...

FOREST OF FEAR

Night descends quickly onto hikers who have dared to walk through the forest, not knowing the narrow and winding path may not lead them to their destination.

ZOMBIES! 4D INTERACTIVE DARK RIDE

Are you prepared to defend yourself from the hordes of zombies invading Wonder Mountain? Try to hold them off in this 4D fight-for-your-life ride experience.

*No Fright Lane or Fast Lane access is available for this attraction.
